NATIONAL LABOR RELATIONS BOARD

v.

THE LEAGUERS, INC.

ORDER

The Leaguers, Inc., its officers, agents, successors, and assigns, shall

1. Cease and desist from
 - (a) Unilaterally implementing changes in its medical health care plan of its unit employees.
 - (b) In any like or related manner interfering with, restraining, or coercing employees in the exercise of the rights guaranteed them by Section 7 of the Act.
2. Take the following affirmative action necessary to effectuate the policies of the Act.
 - (a) Upon request of the Union, rescind the unilaterally implemented changes in the unit employees' health care coverage, copays, and premiums and restore the coverage, copays, and premiums available to employees prior to October 31, 2016.¹
 - (b) Make all affected employees whole, with interest, in the manner set forth in the remedy section of this decision for any losses they suffered or expenses they incurred as a result of the unlawful action by Respondent.

¹ The proper remedy for unilaterally implementing changes to the employee health plan is recession of the unlawful unilateral changes and to restore the benefits that existed before the unilateral changes upon request from the Union. *UPS Supply Chain Solutions, Inc.*, 364 NLRB No. 8 (2016). However, if the Union decides not to request the restoration of the status quo ante by returning to the original health care plan before the unilateral changes, the employer must nevertheless make whole the unit employees for all losses they suffered as a result of the unlawful changes in the health insurance plan. *Goya Foods of Florida*, 356 NLRB 1461 (2011).

- (c) Preserve and, within 14 days of a request, make available to the Board or its agents for examination, all payroll records, social security payment records, timecards, personnel records and reports, and all other records, including an electronic copy of such records if stored in electronic form, necessary to analyze the amount of reimbursement of costs incurred as a result of the change in the employees' health care insurance under the terms of this Order.
- (d) Within 14 days after service by the Region, post at its Newark, Irvington, Elizabeth, and Roselle, New Jersey facilities, where unit employees work, copies of the attached notice in English and Spanish marked "Appendix A." Copies of the notice, on forms provided by the Regional Director for Region 22, after being signed by the Respondent's authorized representative, shall be posted by the Respondent and maintained for 60 consecutive days in conspicuous places including all places where notices to employees are customarily posted. In addition to physical posting of paper notices, notices shall be distributed electronically, such as by email, posting on an intranet or an internet site, and/or other electronic means, if the Respondent customarily communicates with its employees by such means. Reasonable steps shall be taken by the Respondent to ensure that the notices are not altered, defaced, or covered by any other material. If the Respondent has gone out of business or closed the facility involved in these proceedings, the Respondent shall duplicate and mail, at its own expense, a copy of the notice to all current employees and former employees employed by the Respondent at any time since November 1, 2016.
- (e) Within 21 days after service by the Region, file with the Regional Director for Region 22 a sworn certification of a responsible official on a form provided by the Region attesting to the steps that the Respondent has taken to comply.
